

# PRACTICAL KNOWLEDGE FOR STUDENTS 2019

*A unique international congress for students of medicine, dental medicine and pharmacy with the aim of improving the most important practical knowledge required for their future careers.*

## HOW DID PKS DO IN 2018?

Over the course of 4 days and over 65 quality activities, participants from eight European countries had the opportunity to enjoy the International Congress "Practical Knowledge for Students". About 500 participants enjoyed the lecture of a Nobel Prize winner, prof. Erwin Neher, as well as the other 65 workshops and lectures from 71 experienced professors and mentors. Apart from the medical quiz and evening entertainment, they enjoyed the historic center of Split. An unforgettable experience!

## WHAT TO EXPECT FROM PKS IN 2019?

At the third International Congress "Practical Knowledge for Students" which will be held from April 4th to April 7th 2019, you can expect an even better quality program lasting four days at the University of Split School of Medicine. We hope to see you attending this unique event in Split, where alongside quality education through many workshops and lectures you will be able to relax and socialize in the beautiful city under the Marjan hill.
